ADVENTURE SERIES

**20 Series HD LED/LCD Television
with Built-In DVD Player**

**24 Series HD LED/LCD Television
with Built-In DVD Player**

Designed by New Zealanders, for New Zealanders

EVOKE televisions have been designed by New Zealand's largest television development company, with over 25 years experience developing televisions for the New Zealand and Australian markets. A proudly New Zealand-owned company, EVOKE televisions and display panels have been produced specifically with New Zealanders in mind.

Freeview New Zealand - Twin Tuner - UHF and Satellite

Evoke televisions are Freeview New Zealand approved and have been through Freeview New Zealand's rigorous testing. Having both satellite and UHF tuners means that you will be able to tune into New Zealand Freeview anywhere your travels may take you.

Simple Satellite Setup

All EVOKE televisions automatically tune both LNB frequencies available in New Zealand - 11300MHz and 10750 MHz - no need to switch between frequencies to tune television channels!

On The Go - 12V Compatible

All EVOKE Adventure Series panels are 12V compatible (12V adaptor included) and is the hassle-free panel solution built specifically to take on the road.

Conformal Coating

Circuit boards in all EVOKE Adventure Series have been conformally coated to protect against dust and humidity, enhancing their ability to withstand the vibrations and shocks of travelling on New Zealand's open roads.

Pay Television Compatible - CI Card Slot

The CI card slot can be used in conjunction with a CAM and a pay television card (both not provided) to access some pay television services. Operation and compatibility with some pay television services may vary.

Our Aim: New Zealand's Best Television Warranty

All EVOKE televisions are backed with a 3 Year Manufacturer's Replacement Warranty. This means that in the unlikely event that you experience a manufacturing problem with your EVOKE television, we will exchange it for a brand new one.*

Our Aim: New Zealand's Best Remote Control Guarantee

All EVOKE remote controls come with a Lifetime Replacement Guarantee - you break it / lose it, we replace the remote control for free for the lifetime of the television.**

*Covers manufacturing faults only. Excludes commercial use, accidental and intentional misuse/damage, and regular wear and tear. **Postage and handling charges apply. Maximum of three (3) remote control replacements for the lifetime of the television. Excludes intentional misuse/damage of remote control(s).
